

BOROS TOURNAMENT MEETING

JULY 14, 2011

There was a brief meeting after the Boros tournament with all captains and board members who had attended the tournament.

Diane Fardy reviewed the decision that was made regarding Wollaston fielding 10 players for each of their matches and their opponents fielding the same 10 players. This was a decision made 7 days before the first match and seemed to be the best solution possible to continue team play this year. All board members and team captains were not present at opening day and not all are in agreement with this decision. This situation will be reviewed in more detail at the next board meeting.

Judy Simonds from Cohasset has volunteered to be on the nominating committee but we are still in need of another volunteer on this committee.

Susan Eno will be resigning as treasurer at the end of this year.

Louise Mariani reviewed her experiment with calculating the scores for team matches based on 100% of handicap versus 85%. All captains are asked to take a few minutes to calculate this and forward the results to Louise.

Meeting adjourned at 2:45 pm.

Respectfully submitted,

Marianne Glassanos
