#### OLD BUSINESS

Diane Fardy presented the tournament report for Pam Winters. Information has been sent to all clubs regarding all the special tournaments. The need to do reconciliation sheets and stay within the tournament budget was addressed. There may be a conflict with dates and Wollaston may not be able to host closing field day. Hatherly may be able to do this instead of hosting the Mixed Scotch. Representatives from Hatherly and Wollaston will discuss these dates and contact Diane Fardy with changes.

Jean Donoghue of Marshfield will assist with coordination of collecting food items at each tournament. This will be included on the entry forms.

The Four Ball glass pitchers are once again available to order as prizes. Motion made by M. Glassanos to continue to use the pitchers as the prizes for the Four Ball. Motion accepted.

There were a couple of conflicts with team match dates. The respective clubs will work these dates out ASAP and notify Diane Fardy.

Denise Royer is completing the list of various club member guest dates. She was still missing information from several clubs and a sheet was distributed to collect that info.

Discussion ensued regarding the changes made to the Boros format for 2010. It was voted to change the format at the last meeting. The new format was once again reviewed. Discussion regarding if this new format might create scoring difficulties or result in a longer tournament day. The format will stand as voted on at last meeting and several people volunteered to assist Barbara Chandler with the scoring.

At a previous meeting there was discussion regarding a change to the wording on the award pins for the Boros and the possibility of a similar logo for clothing that could be ordered. Since there is a large amount of the current Boros pins available, a motion was made by K. Lilly to continue to use the pins we currently have before considering a new pin. The motion was approved.

The changes to the team rules have been updated on the website.

#### NEW BUSINESS

Diane Fardy asked if the group felt the team captain's books were still needed. All felt they were very useful. B. Nightingale will be compiling these once again this year.

Spring meeting will tentatively be Tues April 13 at 6:30 pm in Plymouth.

Respectfully submitted,

Marianne Glassanso
